Area Variance Continued

1. Explain how no undesirable change will be produced in the character of the neighborhood; nor a detriment to nearby properties created by granting the area variance.

There are 3 Properties 22, 23, 25 Highland Acres
All are 3 acres or more, If any thing it will add to the
character of the 3 properties.

2. Explain why the benefit sought by the applicant cannot be achieved by some method, feasible for the applicant to pursue, other than an Area Variance.

Structure is built already

3. Describe whether the requested Area Variance is substantial.

With Property it is a minor adjustment. It was
an overlook on my part.

4. Explain how the proposed variance will not have an adverse effect on the physical or environmental conditions in the neighborhood or district.

It will have no impact

5. Explain whether difficulty is self-created. (Consideration is relevant, but should not necessarily preclude the granting of the Area Variance.)

Completely my fault, thought I was in the boundary as
well as under 50 feet for construction.

For Use Variance Applications, please complete the following: N/A

Describe the request use: _____

1. Explain why the application cannot realize a reasonable return without the Use Variance, as demonstrated by the content financial evidence.

2. Explain how the alleged hardship relating to the property is unique, and does not apply to a substantial portion of the neighborhood.

3. Describe why granting the requested use variance will not alter the essential character of the neighborhood.

Explain whether the alleged hardships have been self- created.

Describe in Detail your request:
